

# BOTTOMLESS MENU

## How does it work?

See our team when you arrive to collect your wristband which has your drink and food tokens attached. You have one food voucher, and one token for a cup which you will use for the Bottomless. Don't forget you must have the wristband and the cup to get any drinks!

**Street Food Meal** - you can get your delicious street food directly from the Food Traders - simply download the menu at [comedybrunchmenu.vfbg.co.uk](http://comedybrunchmenu.vfbg.co.uk), decide what you would like and order using your token!

**Bottomless** - hand in your Bottomless token to get the cup you will be using. Bottomless is for a fixed period of 60 minutes - so don't arrive late! And remember at the end of the event to return your cup to us.

**Need help with anything?** Please speak a member of our team who will be more than happy to help you.
